The Front Office

The Front Office is a very important part of every student's life. The ladies in the office help us with many things. They find our locker numbers, give us Band-aids, let us call home, run down students with messages, lend us ties and sometimes money. The list could go on and on. Not only do they help students in hundreds of ways, they also get their jobs done. We thank them!!

A very important part of every students life is the cafeteria. These ladies work very hard to insure that we have a nice hot lunch every day. In addition to the regular meal, there is a salad bar available most days. From Taco Ole to Pizza to Fish squares to Peanut butter sandwiches, we've had it all in our cafeteria. Special meals are also prepared for each holiday throughout the year. The student body appreciates the cafeteria staff.

Religion!! Religion!! Religion!!

Tim Joyce poses for a holy card.

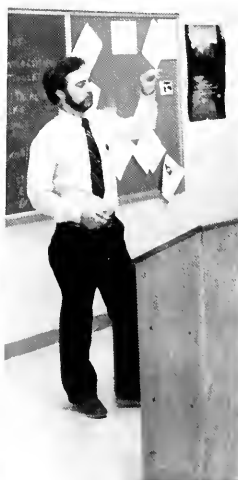

All students are familiar with the religion department at B.D. We are all required to take religion for all four years. As Freshman we are taught scripture, as Sophomores about the mass and Reverence for Life; as Juniors we learn doctrine and Church History, as seniors Catholic lifestyles and Social Issues. This department is what makes Dwenger different from other schools. The student body benefits greatly from this unique experience of being exposed to Christianity in the classroom.

Kevin Hogan guest lectures much to the indifference of Liz Perrugini.

These Freshman compare scripture notes.

Mrs. Malloy rests after another weary English class.

Why do all my students have red dots on their foreheads?

Larry Tippmann looks like he's up to something other than English.

The English Department at Dwenger is very versatile. There is something for everyone. From Freshman learning about Grammar to Seniors losing sleep over College Prep, English involves everyone. In the process, we read, "Romeo and Juliet" "To Kill a Mockingbird" "The Scarlet Letter" "Huckleberry Finn" "1984" among others. No one graduates from Dwenger without being able to diagram sentences, outline or write short essays. Welcome additions to the English department are Mrs. Dehr, Mr. Stevens and Mrs. Kathy Carroll who filled in for Mrs. Edie Carroll

This is the Great Profile.

The Mathematics courses at Bishop Dwenger this year offered a challenge to all students. Students had many selections to choose from in all four years. Most Freshman were engaged in Algebra while the sophomores were looking for a new angle in Geometry. The upper classman studied everything from Business Math to Calculus. Dr. Ruiz as head of the department had a very able and dedicated staff of Math teachers. A new addition to the department this year was Mrs. Behn.

Even Boy George makes news in Latin.

The Language Department at Bishop Dwenger brought our students many opportunities to excel. Courses were offered first through fourth year in French, Spanish, German, and Latin. Not only did the students learn how to speak the language, they also learned about the culture and gathered a deeper understanding of our own language. Our language students did very well in competitions at the state and national level. Many won scholarships to study in Mexico and Europe.

Mrs. Oberstar helps Sarah Kilfoil with her Spanish at lunch.

Dave Munson is absorbed in his studies.

Mrs. Brown conjugates a verb for her Latin students.

Those who play an instrument are always welcome in the band. These people put many hours into music so that we may enjoy their talents.

The Band performs at all Football games.

Singing for the Joy of Singing: This is one of the mottos of the choir.

All smiles, the Concert Chorus and Mrs. Levy are ready to sing.

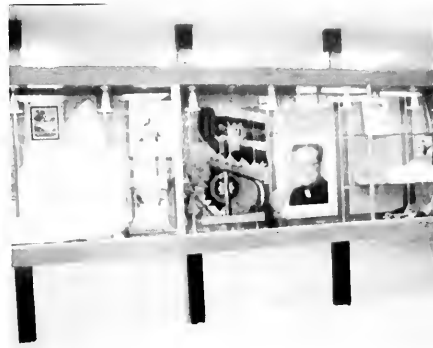

Art!! Art!! Art!!

Sean Druley works on his project.

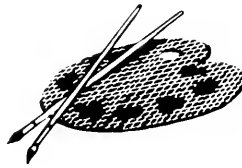

Diane Palermo uses water colors to create a masterpiece.

The faculty did a showcase this year.

Our Art students learn many techniques from Mrs. Case. Classes experiment with sculpturing, weaving, macrame, painting and scetching just to list a few. The department shows off their talents in the show case in the main lobby. The entire school looks forward to these displays. Some of the projects were entered in competition and Dwenger came away with quite a few honors.

John. All this

Business!! Business!! Business!!

Brian Ray shows Denise Page how hot he is at working a computer.

Mark Slater can't believe Mr. Ryan said that.

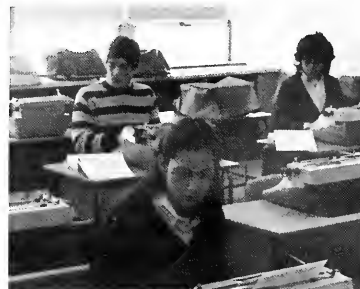

Another addition this year was the birth of the computer at Bishop Dwenger. We have had a few in the past but this year welcomed the computer room. There was a waiting list for these classes. During the course of the year they learn the fundamentals of many sports such as golf, soccer, field hockey, tennis, volleyball, basketball and many more. They also have square dancing, bad mitten, and other activities. The army also comes in and gives the PE classes a set of tests in physical development.

What a hunk ...

What a spike .

These girls seem to enjoy this kind of thing.

Home Ec Home Ec Home Ec

Cathy Heglas prepares some rather strange looking pastry.

The Home Economics Department had a super year at Dwenger. Miss Halter and her students drove the rest of the student body crazy with the tempting aromas from the cooking classes. Everything they prepared smelled wonderful. The sewing classes made some lovely articles of clothing that were on display in the showcase for the whole school to see.

Junior Day here at Bishop Dwenger High School has come to be known as the traditional day of friendship and togetherness between the young men and women of the Junior class. The day begins with the celebration of the Eucharist with the entire Dwenger community. After this celebration the Juniors receive their school rings. Juniors and their guests then proceed to the Heritage House for a special brunch. The Dance is that evening and is for the class. This year's dance featured the music of the Unique Lighting Sound Company. Also as a special treat for the class Mr. Tierney and Mr. Stevens sang after the Eucharistic celebration. The Class of 85 enjoyed one of the best Junior Days ever.

The Cross Country Team is Different than any other team. The guys and girls are together; that's what makes it special. They started their season on Sept. 6 with a victory over Harding and Luers. Theresa Klingenberg made it all the way to State. The MVP was of course Theresa Klingenberg. The most improved was Karen Hubert. Carol Schoenle was awarded the Mental Attitude honor. The team finished with a 7-5 record. Coach LaBrosse did an excellent job with the team this past season.

Sandra Arens runs away from the pack.

Boy's Cross Country

This years Boy's Cross Country team was very young with only two seniors out, Mark Ringswald and Mark Momot. Despite the young team they had impressive wins over Luers and Columbia City. This years MVP award went to Rick Poinatte. The mental attitude award went to Mark Ringswald. With six juniors returning and fine coaching we hope to have a better season next year.

Despite the loss of 4 seniors to graduation the men's Tennis team under the leadership of 1st year coach Marty Tierney finished with an outstanding 12-5 record and third place finish. The Saint's lost to Concordia in the second round of sectionals 3-2. Five of the seven varsity players were chosen to the All-SAC teams. Members of the varsity included singles players Tom Ziegler, Dave Dumas and Dan Schreck. Doubles teams consisted of Dave Kosiarek and Brian Schreck along with Captain Ed Dobosz teamed with Cary Stier. Ed and Cary finished with a perfect 15-0 record. The JV team ended with 14-1 record, their only loss coming at the hands of a tough Snider squad.

Another Good Hit

The 1983 Junior Varsity Volleyball Team ended a successful season with a 20-2 record. The only regular season loss came from North Side and the other in the first round of the Reserve Tourney at Elmhurst. Captains for the Reserve Team are Tracy Vorndran and Gina Krach. The Freshman took four straight to take the Frosh Tourney at North Side. We look to these fine athletes to lead the Varsity next year.

The Dwenger football program, already rich in tradition, hit an all time high in 1983. Starting with the Freshman team under the able command of coaches Ray and Koester, they finished with a great 6-1 record. Next the J.V. team under first year coach Mark Girgash and assisted by Jim Taylor, ended up with a perfect 8-0 season. Last, but not least the undefeated city and state champs varsity, who fulfilled heretofore an impossible dream. Led by 27 never say die seniors and a group of scrappy juniors and yes, even some sophomores, they set a measure against which all future Dwenger teams will hope to repeat. 14-0. What a Year!!!!

14 For The Tree

The Whole School was able to join in the fun of pursuing the dream of a State Championship. There were weekly pep sessions which got more exciting as we neared game 14. The local news media gave the Saints excellent coverage both on and off the field. The Coaches and players are truly appreciated by the rest of the school.

The 1983-84 Boy's Basketball Team finished with a record of 16-6, their second best record in the history of the school. They finished 2nd in the SAC. On Feb. 24, the last regular season game, they played for the city championship. Only a few times had a parochial school played for a city championship. The Saints were led by the four seniors. Two team members made All-City; Mark Eifert and Jay Yaney. Kevin Burns recieved an Honorable Mention. The Saints were characterized by their team play. On a few occasions the Saints were out-manned on paper, but because of the team they came out on top. The Saints broke several school and individual records; for example, they were undefeated against non-conference teams.

The Golden Trumpet's 1984 year was most successful in that it gained the most student and administrative response as was seen in many years. Mrs. Kennel-Lauer did an outstanding job guiding the staff. Also doing excellent jobs were editors Dave Carstens and Paul Murphy. Staff reporters accompanied by eager Freshman writers helped make the 83-84 school year one of the Golden Trumpet's best ever. The entire staff worked as a team to continue the Dwenger tradition of quality in literature.

A Night At The Oscars!!

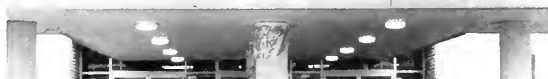

This year's Saints Alive was held on March 16 in the gym. The committee this year transformed the gym into a Hollywood Party as the theme was "A Night at the Oscars." Many of our students worked both at the event and at the preview party the night before. As in the past, the Saints Alive was a big success and a good time was had by all and lastly the money raised was once again over the top.

The Bishop Dwenger Chorus and Choir follow in a long line of fine musical traditions. These students participate in chorus every day during the lunch hour. They have additional practices after school. The Music Department also puts on many concerts throughout the year. The combined choral groups also assist at the Mass. They are greatly appreciated by the student body.

"Bretheren: Understand, for it is now the hour for us to rise from sleep, because now our salvation is nearer than when we came to believe. The night is far advanced; the day is at hand. Let us therefore lay aside the works of darkness, and put on the armor of light. Let us walk becomingly as in the day, not on revelry and drunkenness, not in debauchery and wantonness not in strife and jealousy. But put on the Lord Jesus Christ."

To the Student Body:

No one could possibly understand, outside of the Yearbook Staff, the amount of time and effort it takes to produce this book. At this time we would like to recognize these people.

First, we would like to express our appreciation to Mrs. Cornell, our moderator and friend. Without her guidance and determination this book would not Exist.

Secondly, we would like to thank Watter's Studio for capturing those "Special Moments" on film. There was never a time when they could not come on a spur of the moment to take pictures. Also, we wish to thank our own photographers: Danny Houser, Bob Uecker and Mark Szkudlarek. There are editors for the many sections of the Yearbook. We would like to thank them and their staffs for their hard work and dedication. Sports: Angie Centlivre and Beth Koester; Academics: Linda Kleber, Leslie Killoran and Terre Heinz. Activities: Charlynne Welnetz; Mugs: Dave Romie, Gene Miller, Mark Smithivas, Beth Szkudlarek, Dave Brockmeyer, Mike Romie and Anne Couch. A special thanks to Angie Flood for her help with various sections. Lastly we would like to thanks our artists: John Snyder and Paul Neher. A special thanks to Peggy Bassett who drew the cover.

Good luck to Dave Romie 1984-1985 editor. His success is sure to be great if his staff is as dedicated as the one we were so lucky to work with this past year.
